Jualan Rahmah Mantai Aidilfitri lebih murah, meriah

MOHD. NOOR HELMY Abdul Halem (berdiri) beramah mesra bersama pengamal media pada Majlis Moreh Bersama Media di Kompleks Japerun Duyong, Melaka. - UTUSAN/AMRAN ALI

MELAKA: Orang ramai dijemput untuk memanfaatkan peluang membeli barangan keperluan Hari Raya Aidilfitri pada harga lebih murah di Jualan Rahmah Mantai Aidilfitri yang akan berlangsung di tapak parkir Masjid Jamek Laksamana Hang Tuah di sini, pada 29 Mac ini.

Menariknya, Dewan Undangan Negeri (DUN) Duyong dipilih sebagai lokasi utama bagi daerah Melaka Tengah, menjadikan jualan kali ini lebih besar dan meriah berbanding Jualan Rahmah biasa.

Menurut Ahli Dewan Undangan Negeri (ADUN) Duyong, Datuk Mohd. Noor Helmy Abdul Halem, program akan berlangsung dari pukul 8.30 pagi hingga 5 petang, menampilkan pelbagai barangan asas pada harga istimewa.

"Orang ramai boleh mendapatkan pelbagai barangan persiapan Aidilfitri seperti ayam, daging, beras, minyak masak peket dan banyak lagi dengan harga lebih rendah daripada pasaran.

"Ini adalah peluang terbaik bukan hanya untuk warga Duyong, tetapi seluruh rakyat Melaka," katanya kepada pemberita selepas Majlis Moreh Bersama Media yang diadakan di Kompleks Jawatankuasa Pembangunan dan Penyelarasan Dewan Undangan Negeri (Japerun) Duyong di sini, kelmarin.

Tambah Mohd. Noor Helmy, Kementerian Perdagangan Dalam Negeri dan Kos Sara Hidup (KPDN) telah memastikan bekalan barangan mencukupi sepanjang program berlangsung.

"Pada jualan sebelum ini, satu vendor sahaja sudah mencatat nilai jualan sehingga RM60,000 dari pukul 8.30 pagi hingga 12 tengah hari tetapi kali ini, kita tempatkan empat vendor untuk memastikan bekalan mencukupi sepanjang program.

"Orang ramai dijangka membanjiri program ini, namun kita nasihatkan supaya mereka merancang waktu kunjungan bagi mengelakkan kesesakan dan memastikan pengalaman membeli-belah yang lebih selesa," katanya.

Lagatah Toyos and Winnie Kasmir

TAWAU: Ministry of Domestic Trade and Cost of Living (KPDN) enforcement officers will be deployed to strategic locations during the implementation of the Festive Season Maximum Price Scheme (SHMMP) for Hari Raya Puasa 2025.

Tawau KPDN Chief Enforcement Officer Sam Aminudin said identified locations include public markets, farmers' markets and supermarkets for inspection and enforcement operations.

This initiative aims to protect consumers from unethical traders during the 15-day SHMMP period, effective from March 24 to April 7.

Sam also urged public cooperation under the Kita Gempur mass movement campaign to report any violations of the scheme through WhatsApp at 019-848 8000, call centre at 1-800-886-800, email at e-aduan@kpdn.gov.my and Ez ADU KPDN smartphone application.

KPDN officers conducting a compliance inspection at a supermarket in Sandakan.

The SHMMP covers seven days before the festival day itself and seven days after Hari Raya.

A total of 23 price-controlled items have been listed in Sabah, namely meat and fish (imported buffalo meat, Demuduk, Sagai, Cermin or Cupak fish weighing between three to five fish per kilo, kembung/mabung fish weighing between eight to 12 fish per kilo and selayang fish weighing between eight to 12 fish per kilo).

Vegetables include imported round cabbage (excluding Beijing cabbage), mustard greens, cucumber, tomato, red chili, long beans, carrots, large yellow onions, large imported red onions, small Indian red onions (Ros) and garlic (China).

Other items include imported potatoes (China), old imported ginger, peanuts, dried curly chili, whole coconut, grated coconut and coconut milk.

The scheme is enforced under the Price Control and Anti-Profiteering Act 2011, with maximum wholesale and retail prices available on www.kpdn.gov.my.

Individual traders who fail to comply can face up to RM100,000 or compounds of RM50,000, while companies can face fines up to RM500,000 or compounds up to RM250,000.

Additionally, Sam reminded traders to display pink price tags for controlled items and warned that strict action would be taken against violators.

In SANDAKAN, KPDN enforced the 2025 Festive Season Maximum Price Control Scheme here during the same period.

Sandakan KPDN District Chief Enforcement Officer Azdy Zukkry John said the maximum price enforcement covers Sandakan, Kinabatangan, Beluran, Tongod and Telupid.

Traders are required to sell controlled-price items at or below the set maximum price.

"Retailers must display pink price tags on controlled-price items to distinguish them from other goods. Traders must also ensure adequate supply of goods in the market and use certified weighing and measuring equipment," he said.

Sufficient coconuts for Aidilfitri

KANGAR: The Perlis Domestic Trade and Cost of Living Ministry (KPDN has given an assurance of a sufficient coconut supply in the state for consumers throughout the Hari Raya AIdilfitri festive season.

Its Director, Rohaida Hassan said the issue of coconut supply in Perlis only arose in the first week of Ramadan, however, it has recovered after wholesalers in the state managed to obtain supplies from Indonesia apart from Sabah and Sarawak.

"Insya-Allah, there will be a supply of coconuts for this Raya, ensuring that the supply of santan (fresh coconut milk) will always be available at a price not exceeding RM20 per kilogramme. Currently, the price of santan is between RM17 and RM17.50 per kilogramme in Perlis, and we will monitor this price to ensure it does not rise to RM2," she said.

Rohaida said this to reporters after a walkabout session in conjunction with the implementation of the state-level Festive Season Maximum Price Control Scheme (SHMMP) for Hari Raya Aidilfitri 2025 at Pasar Besar Sena here Wednesday.

She said santan is also among the 26 items listed under the implementation of the maximum price scheme, which is the maximum price at the retail level set at RM17.50 per kilogramme, effective March 24 to April 7.

Meanwhile, she said a total of 37 Perlis KPDN enforcement officers will monitor the price of goods from time to time during the festive season and consumers are urged to lodge complaints to them (Perlis KPDN) if traders do not follow the price scheme so that immediate action can be taken.

Regarding the walkabout, Rohaida said traders in Pasar Besar Sena were found to comply with the implementation of the pricing scheme as well as the price tags, and there were even traders there who sold goods at prices lower than the maximum prices set. – Bernama

KPDN: 499 cases, RM3.3 mln in goods seized for PCAPA non-compliance

KUCHING: The Ministry of Domestic Trade and Cost of Living (KPDN) Sarawak has to date recorded 499 cases of non-compliance with the Price Control and Anti-Profiteering Act 2011 (PCAPA), its director Matthew Dominic Barin disclosed.

He said these cases were detected following inspections at 40,377 premises during the SHMMP implementation period from Jan 1 to March 24 this year.

"The inspections resulted in 499 cases recorded, involving estimated seizure value of over RM3.3 million and compounds valued at RM83,000," he told a press conference after a walkabout to check the implementation of the Hari Raya Festive Season Maximum Price Scheme (SHMMP) at Everwin Samariang, here yesterday.

Matthew said under the PCAPA, offences constitute selling price-controlled price items above the ceiling price, and failing to place a pink price tag on these items.

Meanwhile, he encouraged consumers to take advantage of the Rahmah Madani Sale events.

"The Rahmah Sale event is implemented in all 82 Sarawak state constituencies, two times a month on a rotation basis.

"Consumers can get a discount of up to 30 per cent for the purchase of eggs during the event," he said.

To a question on the retail prices of eggs in Sarawak following viral reports on social media that prices in the peninsula have dropped significantly, Matthew said the cheaper prices of eggs in Peninsular Malaysia could have been determined by the supplier.

"KPDN is more focused on law enforcement," he said.

Bengkel simpan 5,000 liter diesel secara haram diserbu

IPOH – Sebuah bengkel kereta di Anjung Tawas Sinaran di sini, yang dijadikan stor haram bagi menyimpan 5,000 liter diesel tanpa permit diserbu Kementerian Perdagangan Dalam Negeri dan Kos Sara Hidup (KDPN) pada pukul 1.10 tengah hari kelmarin.

Pengarah KPDN Perak, Datuk Kamalludin Ismail berkata, serbuan dilakukan hasil maklumat risikan dan pemantauan selama seminggu oleh pihaknya ke atas aktiviti membanteras penyelewengan dan ketirisan barang kawalan di kawasan Ipoh.

Katanya, maklumat sumber risikan telah berjaya mengesan tempat simpanan stor haram minyak diesel berselindung di sebalik bengkel kereta.

"Modus operandi sindiket adalah membeli minyak diesel pada harga murah sekitar RM2 seliter daripada pemandu-pemandu lori syarikat yang mencurinya dari kenderaan tersebut.

"Pemandu berkenaan menyedut minyak diesel dari tangki asal lori ke dalam tong di belakang bengkel. Minyak diesel tersebut akan dijual kepada pihak industri di sekitar Ipoh," katanya di sini semalam.

Beliau berkata, ketika pemeriksaan dilakukan pasukan serbuan telah menjumpai sebanyak 5,000 liter cecair yang disyaki minyak diesel di premis tersebut.

Katanya, seorang lelaki tempatan berumur 59 tahun yang mengaku sebagai pemilik bengkel didapati gagal mengemukakan sebarang surat kebenaran, lesen atau permit menyimpan barang kawalan itu.

"Sehubungan itu, satu tindakan kes diambil dengan menyita cecair disyaki minyak diesel sebanyak 5,000 liter, 24 tong dram, 11 tong *jerrycan*, alat mengepam minyak dan telefon bimbit dengan nilai rampasan keseluruhan dianggarkan berjumlah RM19,363.94," katanya.

Kamalludin berkata, kes disiasat di bawah Akta Kawalan Bekalan 1961 kerana disyaki melakukan kesalahan memiliki atau menyimpan barang kawalan berjadual minyak diesel tanpa kebenaran.

Beliau berkata, siasatan lanjut juga akan dilaksanakan di bawah Peraturan 9 (2)(b) Peraturan-Peraturan Kawalan Bekalan 1974 ke atas syarikat pembekal barang kawalan minyak diesel itu.

Katanya, ini kerana syarikat tersebut disyaki telah menjual atau membekalkan barang kawalan kepada orang yang tidak mempunyai lesen atau permit barang kawalan.

半數商品比統制價低

KPDN：文良港巨人霸市成榜樣

（吉隆坡26日讯）国内贸易及生活费部（KPDN）联邦直辖区吉隆坡分局总监莫哈末沙比利表示，文良港巨人霸市有超过半数商品售价低于政府设定的2025年开斋节统制品顶价计划（SHMMP）的价格，其中有些商品价格更比统制品价格低逾50%。

他呼吁其他商家，要以文良港巨人霸市为榜样。

他补充，上述计划于3月24日正式开跑，26种受控商品比去年增加4种，分别为印度小红葱、印度玫瑰小红葱、红萝卜和椰浆，以帮助民众应对节日期间的需求。，

配合为期15天的开斋节顶价计划，莫哈末沙比利在昨天与执法人员到文良港巨人霸市进行市场巡视后，这么表示。

他说，有关计划将确保节日期间的物价稳定，并且减轻人民的生活成本。除了保障消费者的利益之外，同时亦可达到维持商家的合理利润。

“希望商家能够在获得较低成本的情况下，提供类似的优惠价格。我们并没有强迫商家去卖1令吉、2令吉的商品，但如果商家能降低成本，就应该降低价格。”

须严守价格规定

另外，他强调，商家必须在统制品上，张贴粉色标签以表明该价格，否则个人将被法庭罚款1万令吉，或被开5000令吉罚单；公司则被法庭罚款高达2万令吉，或被开出1万令吉罚单。

同时，以超过顶价售卖统制品的个人商家将被法庭罚款高达10万令吉、或被监禁不超过3年、或两者兼施；亦可被开出高达5万令吉的罚单；公司则将被法庭罚款最高50万令吉，或被开出高达25万令吉的罚单。

他呼吁民众合作，若发现有商家违规时，可通过WhatsApp (019-848 8000)、内贸局网站 (http://eaduan.kpdn.gov.my)、热线中心(1-800-886-800)或Ez ADU KPDN手机应用程序进行投诉。

‘Garis panduan hak cipta ibarat penawar mujarab’

3P Muzik Malaysia sokong penetapan baharu kutip, agih royalti

Oleh Affan Rostam
affan.rostam@bh.com.my

Persatuan Pencipta, Pelaku dan Penerbit (3P) Muzik Malaysia menyifatkan Garis Panduan Hak Cipta: Organisasi Pengurusan Kolektif diperkenalkan Perbadanan Harta Intelek Malaysia (MyIPO) bermula 17 Januari lalu, sebagai ‘penawar mujarab’.

Bersyukur dengan perkembangan itu, Presiden 3P Muzik Malaysia, Aris Ariwatan, berkata selepas mengkaji dengan teliti, garis panduan itu dilihat dapat memperbaiki tatakelola, ketelusan dan tanggungjawab setiap organisasi pengurusan kolektif.

Organisasi pengurusan kolektif adalah badan yang diberi mandat oleh ahlinya, iaitu pemegang hak harta intelek untuk memungut dan mengagihkan kutipan royalti.

“MyIPO pengawal hak cipta Malaysia, dengan jelas berjaya memahami permasalahan dan ketidakadilan dihadapi ahli di setiap peringkat penggiat muzik tanah air apabila membabitkan organisasi kolektif.

“Kefahaman MyIPO pasti terhasil daripada beberapa siri bengkel, seminar, dialog dan pertemuan dengan penggiat muzik di peringkat akar umbi, malah dengan wakil organisasi pengurusan kolektif.

“Sesi itu sudah berlangsung bersama bekas Menteri Perdagangan Dalam Negeri dan Kos Sara Hidup, Allahyarham Datuk Seri Salahuddin Ayub, kemudian terus diperbaiki dan dilaksanakan di bawah kepimpinan menteri berikutnya, Datuk Armizan Mohd Ali,” katanya dalam satu kenyataan.

> MyIPO pengawal hak cipta Malaysia, dengan jelas berjaya memahami permasalahan dan ketidakadilan dihadapi ahli di setiap peringkat penggiat muzik tanah air apabila membabitkan organisasi kolektif
>
> *Aris Ariwatan, Presiden 3P Muzik Malaysia*

Perkasa penggiat muzik

Aris yang juga penyanyi popular era 1990-an, berkata proses menghasilkan garis panduan pastinya melalui usaha wajar yang bukan sahaja adil, malah akan melindungi dan memperkasakan penggiat muzik tanah air.

Katanya, penggiat muzik berkenaan adalah mereka yang sama ada mempunyai nama besar atau ribuan penggiat seni yang kerdil namanya, namun menyara hidup dengan kerja seni muzik.

“Lebih penting lagi, garis panduan MyIPO ini dapat mengharmonikan hubungan antara penggiat muzik dengan persatuan pengguna karya muzik di Malaysia.

“Hubungan simbolik antara pengguna karya muzik dengan penggiat muzik seperti aur dengan tebing, saling memerlukan. Organisasi pengurusan kolektif yang benar-benar profesional adalah penghubung antara kami,” katanya.

Pada masa sama, Aris berkata, pengguna karya muzik menjadi punca pendapatan penggiat muzik dan setiap karya muzik adalah keperluan pengguna, justeru kedua-duanya perlu saling meraikan.

“Barulah ia menjadi alunan muzik harmoni,” katanya menambah garis panduan hak cipta dikeluarkan MyIPO itu amat diperlukan dan dialu-alukan demi penambahbaikan tatakelola, ketelusan dan tanggungjawab organisasi pengurusan kolektif.

“Kami penggiat muzik menjadi ahli yang tiada suara. Seksyen 27M dalam Akta Hak Cipta Malaysia adalah punca kuasa yang ada pada MyIPO untuk menguatkuasakan garis panduan akta hak cipta demi keadilan dan keharmonian buat semua,” katanya.

Harga barangan asas terkawal menjelang sambutan Aidilfitri

Langkah KPDN, KPKM tunjuk petanda positif hasil usaha Kerajaan MADANI

Oleh Mohd Iskandar Ibrahim
bhnews@bh.com.my

Putrajaya: Harga barangan asas adalah terkawal menjelang sambutan Aidilfitri susulan langkah dilaksanakan Kementerian Perdagangan Dalam Negeri dan Kos Sara Hidup (KPDN) serta Kementerian Pertanian dan Keterjaminan Makanan (KPKM).

Jurucakap Kerajaan Perpaduan, Datuk Fahmi Fadzil, berkata keadaan itu menunjukkan petanda positif hasil usaha Kerajaan MADANI.

"Mesyuarat Jemaah Menteri pada hari ini (semalam) dimulakan dengan ucapan tahniah Perdana Menteri (Datuk Seri Anwar Ibrahim) kepada KPDN dan KPKM, atas kejayaan memastikan perkara berkaitan pengawalan harga barang asas, terutama menjelang sambutan Aidilfitri adalah terkawal.

"Kita juga melihat ada peranan dimainkan oleh pemain industri yang memberi kerjasama kepada KPDN serta KPKM (dalam memastikan harga barangan asas terkawal)," katanya pada sidang media pascamesyuarat Kabinet, di sini, semalam.

Fahmi yang juga Menteri Komunikasi berkata, selain harga barangan asas terkawal, bekalan beras putih tempatan pula sudah mula diagihkan ke pelbagai lokasi.

Katanya, KPKM kini sedang giat secara berterusan untuk mengenal pasti lokasi yang masih belum memperoleh bekalan terbabit.

"Malah ada dalam kalangan menteri yang menyatakan di sesetengah tempat harga telur pun turun menjelang Aidilfitri.

"Jadi ini adalah petanda yang agak positif untuk orang ramai," katanya.

Manfaat 'Price Catcher'

Justeru, Fahmi menyarankan orang ramai supaya memanfaatkan aplikasi *Price Catcher* untuk mengenal pasti lokasi yang menjual produk serta barangan asas pada harga berpatutan.

"Kita boleh buat perbandingan harga bagi premis yang berbeza, produk sama. Jadi manfaatkan aplikasi ini," katanya.

Sementara itu, Fahmi berkata, Perdana Menteri menyatakan kepada Jemaah Menteri bahawa Bantuan Khas Kewangan (BKK) 2025 berjumlah RM500, termasuk kenaikan gaji melalui Sistem Saraan Perkhidmatan Awam (SSPA) dinikmati penjawat awam membabitkan jumlah yang signifikan.

Fahmi pada sidang media pascamesyuarat Kabinet di Kementerian Komunikasi, Putrajaya, semalam.
(Foto BERNAMA)

Katanya, walaupun membabitkan jumlah yang besar, perkara itu berjaya dilaksanakan Kerajaan MADANI.

"Baru-baru ini, Perdana Menteri juga mengumumkan BKK Aidilfitri buat pejabat awam sebanyak RM500 bagi Gred 56 ke bawah dan RM250 kepada semua pesara kerajaan, termasuk veteran berpencen serta tidak berpencen dan juga guru Kelas al-Quran dan Fardu Ain (KAFA) dan BKK Aidilfitri berjumlah RM500 kepada 14,000 penjawat awam di Terengganu.

"Ini antara usaha kerajaan untuk memastikan rakyat terus menerima bantuan dan insya-Allah kita harap ia akan menceriakan, terutama menjelang Aidilfitri bagi rakyat Malaysia, terutama dalam kalangan penjawat awam," katanya.

FAHMI FADZIL

"Tambahan kuota data itu sah bagi tempoh minimum 24 jam, tertakluk kepada terma dan syarat penawaran syarikat penyedia perkhidmatan telekomunikasi yang terlibat," katanya menerusi sidang akhbar mingguan pasca Kabinet di sini pada Rabu.

Ujarnya, syarikat yang terlibat adalah CelcomDigi, Maxis, U Mobile, TM Tech, YTL Communications, Pavo Comms, Tune Talk, redONE, REDtone dan XOX Com.

"Pemberian insentif bersempena hari raya ini diharap dapat membantu mengeratkan silaturahim terutama menerusi komunikasi dalam talian di samping memeriahkan sambutan Aidilfitri," jelas Fahmi.

Ditanya jumlah kos bagi pelaksanaan insentif berkenaan, Fahmi berkata, Insentif Rebat Rahmah yang kali pertama diusahakan Kementerian Komunikasi itu ditanggung sepenuhnya oleh semua penyedia perkhidmatan telekomunikasi terbabit.

"Tak... subsidi dan ia (insentif) bukan ditanggung kerajaan," katanya sambil menambah jumlah akaun telekomunikasi yang berdaftar di Malaysia ialah sekitar 45 juta.

Maklumat lanjut mengenai Insentif Rebat Rahmah Aidilfitri itu akan diumumkan oleh syarikat penyedia perkhidmatan telekomunikasi.

Dalam pada itu, Fahmi berkata, Perdana Menteri, Datuk Seri Anwar Ibrahim mengucapkan tahniah kepada Kementerian Perdagangan Dalam Negeri dan Kos Sara Hidup (KPDN) dan Kementerian Pertanian dan Keterjaminan Makanan (KPKM) di atas kejayaan memastikan perkara berkaitan pengawalan harga barang asas, terutama sepanjang tempoh menjelang Aidilfitri terkawal.

Tambahnya, beberapa petanda positif telah diperoleh hasil daripada inisiatif yang dilaksanakan kedua-dua kementerian berkenaan selain peranan yang dimainkan pihak industri.

Prices of basic items under control ahead of Aidilfitri — Fahmi

PUTRAJAYA: The prices of basic items ahead of the Hari Raya Aidilfitri celebrations are under control following efforts taken by the Ministry of Domestic Trade and Cost of Living (KPDN) and the Ministry of Agriculture and Food Security (KPKM), said Communications Minister Datuk Fahmi Fadzil.

Fahmi, who is also the MADANI Government spokesman, said Prime Minister Datuk Seri Anwar Ibrahim congratulated the KPDN and KPKM at the Cabinet meeting today for their success in ensuring the prices of basic goods are kept under control, especially ahead of the Aidilfitri celebrations.

Fahmi said that industry players also helped ensure the prices of goods continue to be under control by giving their cooperation to the KPDN and KPKM.

"We can also see that local white rice (BPT) has begun to reach various locations and the KPKM is continuously striving to identify the places that have yet to obtain the BPT and to deliver it.

"Some of the ministers have also said that the prices of eggs at certain places have come down ahead of Hari Raya Aidilfitri. So, this is quite a positive sign," he told a media conference here Wednesday.

Fahmi also urged the public to make use of the PriceCatcher application to identify the locations selling basic items at reasonable prices, in addition to making price comparisons at premises which sell similar products.

Meanwhile, Fahmi said the Prime Minister also explained to the Cabinet Ministers that the 2025 Special Financial Aid (BKK) of RM500, including the salary increase through the Public Service Remuneration System (SSPA) that is enjoyed by civil servants, involved a significant amount and was successfully implemented by the MADANI Government.

Fahmi added that last December, the salary of civil servants who signed the SSPA increased by an average of eight per cent for the first phase while the second phase will be implemented at the end of this year for a second increase. — Bernama

231kg Ramadan food saved

Ahmad Apong

BEAUFORT: A total of 231.4 kilogrammes of food have been saved through the Save-food@Ramadan Programme as of March 22.

District Officer Mohd Nazri Ajun said the programme, held for the first time, was implemented through a strategic collaboration with Pemuda Gema, with Ministry of Domestic Trade and Cost of Living (KPDN) as the organiser and coordinated by Gerakan Pengguna Siswa (GPS) Kolej Komuniti Beaufort.

"This programme is an initiative for food waste management at Ramadan bazaars, aimed at reducing food wastage by collecting surplus food to be distributed to those in need," he said when officiating the Consumer Advocacy Programme with the Community, organised by KPDN, held at Dewan Pa Musa on Sunday.

Also present were Beaufort KPDN Branch Head Julie Julhani, Klias Community Development Leader Matjun Yunus Mathon, local community leaders and students of Kolej Komuniti Beaufort.

Other than that, various activities were also organised by KPDN in conjunction with Consumer Rights Day and National Consumer Day 2025.

Nazri said, KPDN together with Local Authority (PBT) had organised four programmes simultaneously from March 22 onwards, which includes the Rahmah Ramadan Bazaar Programme (BRR) at the Ramadan Bazaar Site in Dataran Begandang.

Visitors patronising the stalls at the Ramadan Bazaar.

The programme aims to raise consumer awareness through an integrated approach, strengthen the implementation of consumer-related activities with a focus on prudent financial management, healthy eating, environmental preservation and the cost of living.

"This programme also aims to provide affordable options for breaking fast, with the Menu Rahmah priced at RM5. It is implemented through a collaboration between KPDN and the Local Authority (PBT).

"As an incentive for visitors, they received RM20 credited to their Touch 'n Go e-wallet, while traders participating in the programme received RM100 in their business e-wallet," he said.

Meanwhile, the Rahmah Madani Sales Programme (PJRM) also took place near the hall, managed by Bestamart Sdn. Bhd. This programme offers daily necessities at a discounted price of 10 to 30 per cent lower than the usual market price.

"Hopefully, this PJRM Programme could help reduce the cost of living for the community and bring joy in preparation for the coming Hari Raya Aidilfitri," he said.

Nazri, who is also Beaufort District Consumer Movement Co-Chairman, congratulated KPDN and GPS Kolej Komuniti Beaufort for this effort and appreciated the traders' cooperation in making the programme a success.

Harga telur turun, beras mula tiba di pelbagai lokasi

PUTRAJAYA – Harga barangan asas bagi keperluan sambutan Aidilfitri tahun ini berada dalam keadaan terkawal hasil pemantaun Kementerian Perdagangan Dalam Negeri dan Hal Ehwal Pengguna (KPDN) dan Kementerian Pertanian dan Keterjaminan Makanan (KPKM).

Jurucakap Kerajaan Perpaduan, Datuk Fahmi Fadzil berkata, Perdana Menteri, Datuk Seri Anwar Ibrahim pada mesyuarat Kabinet semalam turut merakamkan ucapan tahniah atas usaha dilakukan KPDN dan KPKM.

Katanya, kerajaan juga mendapati ada peranan yang dimainkan oleh pemain industri yang telah memberikan kerjasama penuh kepada dua kementerian itu.

"Pada masa sama, kita juga lihat beras putih tempatan telah mula sampai ke pelbagai lokasi di seluruh negara dan pihak KPKM secara berterusan telah berusaha mengenal pasti tempat-tempat yang belum memperoleh beras putih tempatan itu.

"Malah ada dalam kalangan menteri yang menyatakan di sesetengah tempat harga telur pun turun menjelang Aidilfitri ini," katanya pada sidang akhbar pasca mesyuarat Kabinet semalam.

Katanya, penurunan harga dan bekalan beras itu memberi petanda yang agak positif kepada rakyat bagi mendapatkan beras dan telur pada harga murah.

Beliau juga mencadangkan orang ramai memanfaatkan aplikasi Price Catcher KPDN bagi mengenal pasti lokasi menjual produk barangan asas pada harga berpatutan.

"Kita boleh buat perbandingan harga bagi premis yang berbeza dan produk yang sama," katanya.
