11 Kelantan petrol stations probed for illegally selling subsidised fuel

KOTA BARU: Eleven petrol stations in Kelantan are under investigation for allegedly violating licence operating conditions by repeatedly selling petrol to the same vehicles that are believed to be trying to divert subsidised fuel.

Kelantan Domestic Trade and Cost of Living Ministry (KPDN) director Azman Ismail said one station owner will be charged soon, while the others are still being investigated.

He said all cases were recorded since early January, with prelimi-

nary investigations showing that the station owners failed to comply with regulations governing the sale of subsidised petrol.

"The investigation was conducted under Regulation 12(a) of the Control of Supplies Regulations 1974 for suspected repeated sales to certain parties in an attempt to divert subsidised fuel.

"All the stations involved are located along the Malaysia-Thailand border, with most of the cases recorded in Tumpat," he told Bernama recently.

Azman said in the latest case on Tuesday, the ministry investigated a petrol station in Wakaf Baru, Tumpat, after it was found allowing repeated fuel purchases by the same individual.

A 29-year-old local man was detained after filling subsidised petrol into a modified Proton Iswara fuel tank at about 11.50am.

"Further inspection uncovered 90 litres of petrol stored in an additional tank inside the vehicle and three plastic containers containing another 30 litres of petrol.

"As a result, investigations were conducted under Regulation 12(a) of the Control of Supplies Regulations 1974, and several key documents, including stock books and sales records, were seized from the station owner to assist in the probe," he said.

He added that although the seized fuel was valued at only RM312, the repeated purchases were believed to be intended to be smuggled out of the country, leading to national revenue leakage.

"In this case, the suspect is

believed to have attempted to smuggle the subsidised petrol across the border. The case is being investigated under Section 21 of the Control of Supplies Act 1961 for possession of controlled goods with the intent to commit an offence.

"KPDN will not compromise with any party involved in the diversion of subsidised goods and stern action will continue to be taken to protect consumer interests and ensure supply stability," he said.

迷你市场业者 使用未重新校验磅秤遭罚

(本报纳闽 22 日讯) 纳闽郊区一名迷你市场业者因使用未经重新校验的称重与量测器具进行商业交易，被援引《1972 年称量与度量法令》(第 71 条文) 开出罚单。

此案件是由纳闽国内贸易及生活成本部执法组在屠妖节前夕展开特别行动时发现的。

当日共有 13 名执法人员参与行动，检查范围涵盖市区与郊区，包括公共市场、乡村商店、超级市场，以及纳闽周边的 6 个油站。

纳闽国内贸易及生活成本部发言人强调，所有用于商业交易的称重与量测器具，

必须经由该部所发执照的“称重与量测器具维修商”重新校验，

以确保商业活动的透明度并提升消费者的信心。

此外，纳闽地区屠妖节佳节最高价管制计划执行期间，监控工作进行顺利，至今未发现任何违规情况。

受控物品供应充足，商家皆遵守最高限价规定。

纳闽国内贸易及生活成本部将持续加强执法检查，确保商家遵守贸易法令，并在佳节期间维护消费者的权益。
