## Eight goods under price control scheme

**SIBU:** The Domestic Trade and Consumer Affairs Ministry has listed eight essential goods under the Festive Season Maximum Price Control Scheme in conjunction with the Kaamatan Festival in Sabah and Gawai Dayak in Sarawak.

In a statement yesterday on Saturday, Minister Daruk Seri Alexander Nanta Linggi said the scheme for the Kaamatan Festival was effective between May 27 and June 2 with the listed items consisting of chicken wings, dried chilli, imported buffalo meat, small red onions, garlic, live pigs, pork belly and pork (meat and fat).

The scheme for Gawai Dayak will run between May 29 and June 4 with the list

citing live old chicken, chicken wings, garlic, imported round cabbage, dried chilli, live pigs, pork belly and pork (meat and fat).

He said the scheme was to ensure that celebrants of the two festivals would not be burdened by the rising cost of living, and to stabilise the supply of essential goods in the market ahead of the celebrations.

"The pricing is made according to the current market prices and takes into account the latest factors of price changes, especially for imported goods influenced by prices in country of origin, changes in currency exchange rates and increased utility costs for farmers." **Bernama**
