Program Rahmah masuk semua DUN

Dana RM50j lagi perluas inisiatif bantu golongan berpendapatan rendah, miskin

Kuala Lumpur: Kerajaan menyediakan peruntukan tambahan RM50 juta untuk memperluaskan inisiatif Rahmah ke setiap kawasan Dewan Undangan Negeri (DUN) di seluruh negara, kata Datuk Seri Anwar Ibrahim.

Perdana Menteri memaklumkan, kerajaan mahu inisiatif di bawah Kementerian Perdagangan Dalam Negeri dan Kos Sara Hidup (KPDN) itu diperluaskan berdasarkan kejayaan awal program berkenaan yang menunjukkan hasil memberang sangkaan.

Program Rahmah menyentuh secara langsung golongan berpendapatan rendah, antara elemen penting serta utama dalam usaha kerajaan menekankan miskin tegar tahun ini dan tegas Anwar, tiada makna berbicara soal rahmah, perjuangan, kasih sayang, ihsan dan prihatin jika

kebijakan golongan itu tidak terjamin.

"Oleh kerana kejayaan awalnya, kementerian ada mengusulkan supaya kalau boleh kita perluaskan (program Rahmah) di setiap kawasan DUN supaya semua dapat mengecap kemudahan itu. Ia tentunya ambil kos lebih."

"Saya akan pastikan untuk menyegerakan pelaksanaan ini secara berperingkat dan kita luluskan tambahan RM50 juta untuk itu," katanya ketika berucap pada Majlis Perasmian Penutup Hari Pengguna Kebangsaan (HPK) 2023, di sini semalam.

Program Rahmah digerakkan KPDN melalui inisiatif Payung Rahmah yang merangkumi empat elemen utama, iaitu Bakul Rahmah, Kafe Rahmah, Jualan Murah Rahmah dan Barang Rahmah bagi meringankan beban golongan B40 dalam berdepan peningkatan kos sara hidup.

Sementara itu, Perdana Menteri yakin sasaran untuk menekankan kemiskinan tegar tahun ini tidak mustahil kerana Malaysia memiliki sumber yang banyak, dibantu sikap prihatin dan kasih sayang dalam kalangan elit profesional dan ahli perniagaan di negara ini.

"Tak mungkin kita fikir boleh hidup selesa, kemudian ada keluarga di Sarawak, Kelantan, Ke-

dah atau di pinggir bandar Kuala Lumpur tak ada wang untuk beli susu anak, tak cukup wang untuk beli 'uniform' sekolah untuk anak. Ini tidak harus berlaku di Malaysia tercinta," katanya.

Ditemui pemberita kemudian, Anwar menjelaskan, inisiatif seperti Menu Rahmah yang dikenalkan KPDN mendapat sambutan amat menggalakkan dalam kalangan golongan memerlukan.

"Kejayaan bila dikurangkan harga (juadah Menu Rahmah) 10, 15 peratus. Dalam sejam, dua jam habis (makanan). Sambutan baik terutama bagi miskin bandar dan beberapa kawasan luar bandar. Jadi saya minta diperluaskan untuk setiap DUN."

"Walaupun skala kecil, kita sarkan yang betul-betul miskin, tapi kos RM50 juta itu khusus untuk jualan Rahmah," katanya.

Ditanya mengenai pengumuman berkait bantuan dan inisiatif dibuat pemimpin Kerajaan Perpaduan menjelang Pilihan Raya Negeri (PRN) yang didakwa melanggar peraturan, Perdana Menteri meminta semua pihak berlaku adil.

"Kerajaan Persekutuan tak boleh tangguh program dan peruntukan yang sudah dirancang sejak lama hanya kerana PRN berlangsung. Penamaan calon semalam (kelmarin), kerajaan (Persekutuan) masih berjalan," katanya.

Perjuangan Rahmah diperluas

PM umum peruntukan tambahan sebanyak RM50 juta

KUALA LUMPUR

Perdana Menteri, Datuk Seri Anwar Ibrahim pada Ahad mengumumkan peruntukan tambahan sebanyak RM50 juta bagi memperluaskan inisiatif Jualan Rahmah di seluruh negara dalam usaha membantu rakyat.

Beliau berkata, menerusi Kementerian Perdagangan Dalam Negeri dan Kos Sara Hidup (KPDN), program berkenaan akan dilaksanakan segera secara berperingkat di setiap Dewan Undangan Negeri (DUN).

Menurutnya, sebelum ini usaha tersebut hanya memberi tumpuan di beberapa Parlimen menerusi Jualan Rahmah.

"Sekarang saya minta ia diperluaskan di seluruh DUN supaya semua pihak terutama miskin tegar dapat menikmati ke mudahan yang disediakan kerajaan.

"Tentu ia melibatkan kos lebih, kalau tidak cukup saya akan bincang dengan Menteri Kewangan untuk cari wang tambahan. Tiada makna soal perjuangan, Rahmah dan belas kasihan jika soal makanan tidak terjamin untuk golongan tersebut," ujarnya selepas merasmikan Hari Pengguna Kebangsaan (HPK) 2023 di Pavilion Bukit Jalil di sini pada Ahad.

Tambah Anwar, dalam Belanjawan Madani mencatatkan seramai 130,000 keluarga miskin tegar pada 2023.

"Saya mesti noktahkan dan kita mahu saraskan rekod di mana dengan keprihatinan dan belas kasihan dalam kalangan elit, profesional dan bisnes, tida sebab untuk kita tidak boleh sekurang-kurangnya memberikan keperluan asas untuk komuniti miskin ini.

"Lagipun program tersebut mendapat sambutan baik sama ada di bandar maupun luar bandar," jelas beliau.

Sementara itu, Timbalan Menteri KPDN, Fuziah Salleh berkata, bagi Jualan Rahmah Bergerak, ia mempunyai

kelebihan lori-lori jualan bergerak sampai secara terus kepada golongan sasar.

"Pelaksanaannya berkoncepkian 'Kedai Cari Rakyat'. Lori yang membawa barang-barang keperluan asas harian mampu masuk ke kampung-kampung, kawasan B40, kawasan PPR (Projek

Perumahan Rakyat) dan taman perumahan kos rendah, kemudiannya terus membuat jualan di kawasan tersebut.

"Sehingga 29 Julai lalu, Jualan Rahmah Bergerak telah berjaya dilaksanakan di 396 lokasi berbeza di seluruh negara," ujarnya.

FOR STATE CONSTITUENCIES

RM50m to extend Rahmah initiative

KUALA LUMPUR: The government will allocate RM50 million to extend the Rahmah initiative to state constituencies nationwide.

Prime Minister Datuk Seri Anwar Ibrahim said the allocation was due to the success of the initiative, which had helped those in the lower-income category.

"This (the extension of the initiative) will involve extra cost."

"However, I will ensure that the allocation will be approved immediately and that the extension of the programme will be expedited," he said at the closing ceremony of the 2023 National Consumers Day here yesterday.

Present were Minister in Prime

Minister's Department (Sabah and Sarawak Affairs and Special Functions) Datuk Armizan Mohd Ali, who is also acting Domestic Trade and Cost of Living minister, Communications and Digital Minister Fahmi Fadzil and Deputy Domestic Trade and Cost of Living Minister Senator Fuziah Salleh.

Anwar, who is Finance minister, said the allocation was agreed upon to facilitate the government's aim to end hardcore poverty in the country.

"There is no reason why we cannot (continue the initiative).

"This is also why in the 2023 Madani budget, we aim to end hardcore poverty for all

130,000 families.

"With the initiative, we can nurture the practice of care and compassion; and it encourages the elites to give back to society so that basic necessities can reach the poor and needy."

The Rahmah initiative was introduced by the late Domestic Trade and Cost of Living minister, Datuk Seri Salahuddin Ayub to help those in the B40 income group and hardcore poor.

The programmes introduced under the initiative included the RM5 lunch and dinner set meals, food baskets, medical treatment, as well as holding sales of goods at affordable prices.

Rahmah will go on

An extra RM50mil has been approved to expand the Rahmah initiative nationwide, says Datuk Seri Anwar Ibrahim. The Prime Minister has pledged to expedite the effort to assist Malaysians burdened by the rising cost of living. > **See page 2 for report by TARRENCE TAN**

Rahmah initiative to be expanded

PM announces additional RM50mil for programme to go nationwide

PETALING JAYA: An additional allocation of RM50mil has been approved to expand the Rahmah initiative nationwide, says Prime Minister Datuk Seri Anwar Ibrahim.

The extra allocation would enable the Domestic Trade and Cost of Living Ministry to ensure that the rakyat throughout the country would benefit from the initiative, he added.

"It will surely cost more, and I will ensure that the implementation of the expansion will be expedited.

"The ministry has proposed that we expand it in the state constituencies if possible. I will ensure its speedy implementation in stages, and we have approved an additional RM50mil," he said during the National Consumers Day 2023 at Bukit Jalil here yesterday.

Anwar, who is also Finance Minister, said he will ask for additional funds for the programme from the Finance Ministry if needed.

He paid tribute to the late Domestic Trade and Cost of Living Minister Datuk Seri Salahuddin Ayub, who launched the Rahmah initiative in January this year.

"I told Salahuddin before that

when the government implemented the Rahmah initiative and it was accepted by restaurants and shops, I was touched and felt that we should hold an appreciation ceremony for the participants," Anwar said.

He said the allocation was in line with the government's aim to end hardcore poverty in the country.

"The Rahmah initiative is crucial and there's no point speaking about compassion or mercy if the

poor cannot eat a simple meal.

"That is why in the Madani Budget, I said that there are 130,000 hardcore poor families and we must put an end to their poverty.

"There should be no reason why we cannot provide basic needs to the poorest in this country, with its resources, care and compassion from the elites and businessmen, to at least give the basic needs to the poor," he said.

Anwar earlier claimed that the

Rahmah initiative was an effort by the Federal Government to help Malaysians who were struggling with the rising cost of living.

"In addressing current challenges, we took additional steps because for the impoverished, cheap food is still considered expensive," he added.

"But this is not the solution."

To address the rising cost of living, Anwar said it is crucial to ensure healthy-economic growth by promoting domestic and inter-

national investments as well as equipping Malaysians with new skills.

Anwar told reporters later that the Minister in the Prime Minister's Department (Sabah, Sarawak Affairs and Special Functions) Datuk Armizan Mohd Ali, will temporarily be the acting Domestic Trade and Cost of Living Minister.

He added that a replacement minister will be announced soon.

Salahuddin, who died on July 23, had been acknowledged for his commitment to fighting for the people's well-being as the Domestic Trade and Cost of Living Minister.

Since the Rahmah initiative was launched in January, various restaurants, supermarkets and hotels have participated in the programme.

Earlier this year, the government also allocated RM100mil for the Jualan Rahmah programme to be held in all 222 parliamentary constituencies nationwide.

It was reported that the initiative saw basic goods sold at prices 30% lower than their retail prices.
