Gunting minyak peket, jual semula dalam tong

Taktik licik sindiket menyeleweng minyak masak bersubsidi dengan menukar bungkusan asal ke dalam tong plastik terbongkar dalam serbuan penguat kuasa Kementerian Perdagangan Dalam Negeri (KPDN) Selangor di kawasan Perindustrian Klang Utama di sini pada Rabu.

Sindiket terbabit dikesan mendapatkan bekalan minyak masak peket bersubsidi daripada pembekal tertentu sebelum menggunting bungkusan secara manual dan memindahkannya ke dalam tong plastik ber-

kapasiti 17 kilogram.

Minyak tersebut kemudiannya dijual semula di pasaran tempatan dan luar negara pada harga RM76 setong sedangkan harga pasaran RM118 setong.

Pengarah KPDN Selangor, Mohd Zuhairi Mat Radey berkata, serbuan kira-kira jam 1 petang itu hasil risikan selama sebulan dan difahamkan sindiket penyelewengan itu telah beroperasi lebih enam bulan.

Beliau berkata, pemeriksaan awal menemui cebisan helaian dokumen berkaitan bekalan minyak masak peket dan urusan niaga yang dipercayai cuba dimusnahkan.

"Pemeriksaan awal mendapati dua premis aktif beroperasi dengan satunya dijadikan stor aktiviti pemindahan minyak masak bersubsidi.

"Serbuan menemukan lambakan bungkusan minyak masak peket yang dipotong ser-

ta pelbagai peralatan dipercayai digunakan untuk memproses minyak tersebut," katanya dalam sidang akhbar di lokasi operasi di sini pada Rabu.

Katanya, serbuan itu turut merampas 133,000 tan minyak masak bersubsidi dengan anggaran nilai RM333,000.

"Seramai sembilan individu iaitu tujuh warga tempatan dipercayai pekerja di peringkat

pengurusan premis dan dua pekerja asing ditahan dalam serbuan ini," jelasnya.

Menurutnya, kes disiasat di bawah Akta Kawalan Bekalan 1961 (Akta 122).

"Syarikat itu juga disiasat di bawah Akta Pencegahan Pengubahan Wang Haram, Pencegahan Pembiayaan Keganasan dan Hasil Daripada Aktiviti Haram 2001," jelasnya.

MCBA foils bid to smuggle RM20,000 diesel

BUKIT KAYU HITAM: The Malaysian Border Control and Protection Agency (MCBA) yesterday foiled an attempt to smuggle 7,000 litres of diesel worth RM20,000 into a neighbouring country.

The confiscated fuel was hidden in modified compartments of two trailers, which were intercepted during a routine inspection at the Bukit Kayu Hitam Immigration, Customs, Quarantine and Security Complex at 7.30am.

Bukit Kayu Hitam MCBA commander Mohd Nasarudin M. Nasir said officers found 3,500 litres of diesel concealed in each trailer, bringing the total haul to 7,000 litres.

He said the trailers, valued at RM300,000, were also seized, bringing the total value of the confiscated items to RM320,000.

"The case has been handed over to the Domestic Trade and Cost of Living Ministry for further investigation," he said in a statement yesterday.

"The seized diesel and trailers will be subjected to action under existing laws."

The case is being investigated under Section 21(1) of the Control of Supplies Act 1961, which prohibits the unauthorised handling

of controlled goods.

The offence carries a fine of up to RM1 million, a jail term of up to three years, or both.

Nasarudin said diesel was categorised as a controlled item under the Control of Supplies Order 1974, and smuggling or transporting it without authorisation constitutes an offence under the law.

"Any person who, without a licence, permit or written authorisation from the Controller, manufactures, sells, stores, possesses, transports or distributes any controlled goods is committing an offence."
